Did you Know?

One of the most famous logos in the world is the **Nike** logo. It was 1) designed by an American student, Carolyn Davidson, in 1971. Ms. Davidson was only paid \$35 for her design. However she was later 2) given a gold ring in the shape of the logo and Nike shares.

Canned food was 3) invented in 1810 in Britain by Peter Durand. Unfortunately, he did not also invent a can opener, so cans were 4) opened with difficulty using a knife and a hammer . It wasn't until almost 50 years later that the American Ezra Warner invented the can opener.

When people at toy company Parker Brothers were first 5) shown the board game - **Monopoly**, they were not interested. They said it had 52 fundamental errors, including taking too long to play. However a few days later, the company president saw the game and took it home to try it. He stayed up until 1 a.m. to finish paying it, and the next day he wrote to the inventor Charles Darrow, and offered to buy it!

The modern game **golf** was invented in Scotland in the 18th century. It was originally only 6) played by men, and was 7) called "golf" because of the rule Gentlemen Only Ladies Forbidden. This is how the word *golf* entered into the English Language.
